Looks like all the April Showers are bringing May flowers☺ We are excited to start the month of May with our Teacher Appreciation Week, thank you to everyone who has signed up for the breakfast and the luncheon.

We do have just a few reminders as the summer months are approaching, please remember to bring in shorts and tshirts for extra clothing in your child's cubby and take home the warm weather clothing. We also understand that many of you would like for us to put sunscreen on the little one's; please note that we are happy to do so in the afternoons after the naptime hours and prior to afternoon outside time. We ask that you apply sunscreen in the mornings prior to school. We have medication forms at the front desk for you to fill out for the use of sunscreen. Please also remember that sunscreen should be in the lotion form and not in an aerosol can.

We would also like to take this opportunity to remind you to look closely at your child's classrooms schedule, note the time of the morning snack and please be sure to be in attendance during this time if you would like for your child to enjoy snack. Once snack time is over we are unable to serve snack in the room as it will push the daily schedule behind. We thank you in advance.

We are also excited about our School Age Summer Camp this summer where they are "#Go Rock the World". Our summer camp will start the week of June 11, 2018 and will run the duration of the summer. We have a ton of really fun activities, arts, crafts and amazing field trips planned for the children. Our counselors are excited about the clubs that the children will be enjoying as well. If your little one is out for the summer or tracks out for a few weeks this summer now if the time to sign up, spaces are moving quickly. Please ask us about the special that we are running for this program as well. Please remember we will provide all of the activities as well as Ms. Vee's delicious and nutritious meals everyday during our camp. Again, do not hesitate to stop by for any additional information.

Curriculum Recap!!!

We are so excited about all the fun activities that were witnessed around the school in April. During the Week of the Young Child we celebrated in all our classrooms with art and dance; the classrooms worked hard to come up with fun games for our carnival and a good time was had by all.

Our preschool and prek friends are working hard and moving up daily with our literacy programs. Many of our friends are moving up in developmental milestones in our Letterland and Handwriting without Tears programs. We have also seen many of our little one's again this month reading their first books and taking more and more home to share with their families.

With the cold weather finally leaving us we will also focus on our garden beds for the month of May. We will be asking out families to donate vegetables and herbs for our children to plant. We are very excited to get started gardening.

ABC MOUSE

Kids 'R' Kids has partnered with ABC Mouse.com in providing your child award winning online curriculum. Learning activities include Reading, Math, Science, Arts & Colors, Music & Songs, Library, Puzzles and Games. Parents are able to log on to view their child's progress. Also, your child can do ABC Mouse.com activities at home.
