### From the Administration at Kids R Kids Learning Academy Cary

We have a fun filled August to look forward to. We are especially excited about our Hot Dog Dinner on 8/17. Please stop by and have a delicious hotdog for dinner with your little ones; this is also the very last day to bring in donations of canned food for the Backpack Buddies program. Our summer camp will take the food down to the interfaith food mission and help fill the backpacks as one of their community projects this summer. We thank you all in advance for your contributions.

Remember waterplay will continue through the end of August so please apply sunscreen in the mornings prior to coming to school.

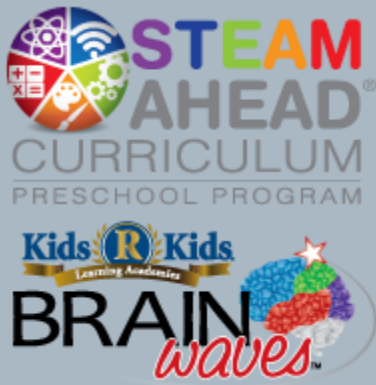

We have had a lot of new families join us over the past month, please take the time to introduce yourself and welcome any new face you see to our family.

We would also like to take the time to thank the parents that were able to come and enjoy lunch with their little one's in July. Ms. Vee out did herself with amazing lunches; and what a great time our little one's had sharing this time with their parents. We will put this event on the calendar again; if you missed it this time be on the lookout for the next date!

Excellent Curriculum for all age groups.

## Curriculum Recap!!!

Many of our prek children also really enjoyed working with our Handwriting without Tears and Letterland programs with Ms. Michelle this month. Several of our little one's have been able to move up reading levels!!

Our Butterfly class enjoyed a fun lemonade stand in their classroom, and Buddy the Butterfly had some amazing visits with some of the Butterfly class friends. The children enjoyed seeing all his fun activities with their friends.

Our toddler classrooms had a great time taste testing lemons; many of them loved them and others made some really funny faces. They also used frozen yellow paint to paint a lemon! This was a really fun STEAM activity for them as the paint was melting.

Let us not forget the amazing time our summer camp is having. They have had some amazing field trips and are getting excited to start their food drive for the Back Pack Buddies program in August!
