We still have a few spaces available in our school age summer camp program. Camp will start on June 11th for the summer. We have so many fun field trips and activities planned it is sure to be a GREAT time for everyone. If you plan to have your children join us and have not yet signed up please stop by the front desk for all of the appropriate paperwork.

Curriculum Recap!!!

Oh what an amazing time we have had, our Ladybug class gave an amazing performance of nursery rhymes that they learned. The children worked very hard to learn their nursery rhymes and came with costumes that they created with the help of mom and dad. The children all did an amazing job.

We also enjoyed learning about plants and having our planting day were we planted vegetables, fruits, flowers, and herbs to hopefully enjoy later. There was also outside day of play; this was a day that everyone at the center enjoyed. We did all the fun things that are usually done indoors and took them ALL outside for the morning. It was an awesome time!!

We are also excited at how well the children are taking on our Literacy program. We have seen such improvement in our younger classrooms with letter recognition and the onset of phonics!!
